

District of Lantzville Community Update

Costin Hall/Heritage Church, Janitorial Services Tender, & Five Year Financial Plan

February 2011

Costin Hall/Heritage Church

As you may be aware, for the past number of years the District of Lantzville has leased the use and operation of this District owned facility to the Seaside Community Society (formerly known as Old Age Pensioners' Association). The lease agreement signed between the District of Lantzville and the Seaside Community Society also grants permission to members of the Seaside Community Society to lease the use and operations of the Heritage Church and as a result the Heritage Church is currently utilized as a place of worship for the Woodgrove Christian Community Church, as well as a variety of other user groups.

The lease between the District of Lantzville and the Seaside Community Society is scheduled to expire on December 31st, 2012 and while the scheduled expiry is essentially two years away, Council has already received a formal request from the Lantzville Historical Society to enter into a lease arrangement between the District of Lantzville and the Historical Society to become the new tenants of the Heritage Church in order to facilitate a museum.

While Council begins to entertain future uses of both Costin Hall and the Heritage Church, Council would greatly appreciate hearing from the residents of the community your ideas and/or suggestions related to future uses of these municipally owned buildings. In addition to inviting written feedback from residents by way of mail, email or telephone, Council will be conducting an open house to encourage one-on-one discussions with residents regarding this initiative. This open house will be held in the spring once Council has had an opportunity to receive and review any public feedback.

Residents are encouraged to email Council their ideas or suggestions to council@lantzville.ca or telephone the District Office directly at 250.390.4006. Council would appreciate hearing from you and also hope to see you at the open house in the spring.
