These permits are available for special occasions including Halloween and New Year's Eve. Permits must be approved by the Fire Chief and certain conditions may apply. **Due to the District Office closure, those residents who wish to set off fireworks on New Year's Eve must apply for their permit no later than Wednesday, December 19.**

Public Works

Parking When It Snows

In preparation for winter weather, the District's Public Works Department is requesting that during times of snow if residents are unable to park in their own driveways, that they park on the south side of the road (if possible) and as far on to the shoulder as possible. This will allow our snow plows to maneuver along the roads and provide better service to our neighbourhoods. Thank you!

Clearing of Driveway Culverts

To avoid potential flooding, the District requests that residents check their driveway culverts to ensure they are clear of any obstruction that may cause a blockage. The District greatly appreciates your cooperation.

District Office – After Hours Phone Number

The District Office is open 8:00 am – 4:00 pm, Monday to Friday. Occasionally residents may encounter a Public Works emergency situation after hours requiring the attention of District staff. The District has an after hours answering service that will page our "on-call" staff member. The service can be reached as follows:

- by calling the District Office at 250-390-4006, and, when prompted, press "3" to connect to the service;
- OR**
- call the service directly at 250-741-3335.

*****Always call 9-1-1 for emergencies that require the attention of Fire, Police or Ambulance.***
