Upcoming Meetings, Council Update, Bylaw Reminders & 2015 Council Meeting Schedule

December 2014

## Season`s Greetings!

The District Office will be closed Wednesday, December 24, 2014 to Sunday, January 4, 2015, inclusive. Regular office hours (8:00 am – 4:00 pm) will resume on Monday, January 5, 2015.

## Lantzville Fire Rescue

Purchase a Lantzville Volunteer Fire Rescue 2015 calendar (includes a blackout buddy light) for \$20 at the District Office or from a volunteer firefighter. Proceeds support local fire safety programs and special events.

Is your house number visible? It helps us when responding to an emergency if your house number is reflective or illuminated, not blocked by vegetation, and is located at the end of your driveway or, if on your house, is in a contrasting colour. Drive by your house in both directions: can you easily read your house number?

## A message from your Curbside Collection

**team:** Lantzville residents are great recyclers – every two weeks our trucks collect around six tonnes of material set out at the curbside in Lantzville. In May of this year, recycling regulations changed which meant some adjustments to what is accepted at the curb. New accepted items include Tetra Paks (soups, sauces etc.), empty aerosol cans (air fresheners, deodorants, whipped cream etc.), plastic clamshells, plastic garden/plant pots and seedling trays to name just a few. However, items like glass containers, plastic bags (and plastic wrap) and Styrofoam packaging are not accepted at the curb. There are options to take those items to local drop-off depots. If you'd like information on depot locations and a refresher on what is accepted in your curbside recycling, please visit [www.recycling2014.ca](http://www.recycling2014.ca). Don't forget, your green bin is for cooked and uncooked food scraps, and food soiled paper packaging. Things like dog waste and plastic bags don't go in the green bin!

Thanks for your participation in our curbside collection program. Watch for the new 2015 Waste Collection Schedule coming in your mail soon!

## Bylaw Reminders

**Parking When It Snows** – In preparation for winter weather, the District's Public Works Department reminds you to park off the road when it is snowing, to allow ploughs and emergency vehicles space to pass. Don't abandon your car if it gets stuck. This will allow our snow removal crew to provide better service to our neighbourhoods. Thank you!
