Council Continues to Consider Options for a New Chief Administrative Officer

Lantzville, BC – Darren Kiedyk has withdrawn his acceptance of the position of Chief Administrative Officer with the District of Lantzville. The District announced in early December that Darren Kiedyk would be filling the District of Lantzville Chief Administrative Officer vacancy starting in mid-January. However, Mr. Kiedyk has informed Council, with regret that he has been offered and accepted a position with the City of Langford and will be unable to work in the capacity of Chief Administrative Officer with the District of Lantzville.

When the District of Lantzville Council next meets, they will continue to consider options to fill the Chief Administrative Officer position.
